

# TEMPO 10W

## Round Surface Can Light

**dynamic series**  
Efficient. Cutting Edge. Reliable

The TEMPO is an architectural can light, designed and built with ultimate flexibility in mind. It has adjustable lighting direction: 360° in horizontal and 23° in vertical. Compact design with a built-in driver ensures simplicity of installation. Available in black and white. A quality downlight, perfect for hard to cut surfaces like concrete ceilings.

**IP20**
